Please attach drawings, floor plans or architectural plans as needed. Attach photos if needed for materials (brick, stone, etc).

Acknowledgement: Written approval must be received before any building or construction can commence. Approval does not constitute city engineering, utility or building department approval, applicant is responsible for compliance. Applicant agrees to obtain necessary municipal/county building permit prior to commencement of any work. Failure to fulfill requirements will result in withdrawal of approval. Approval by the ARC is not a guarantee of structural safety or engineering soundness. Failure to start or complete improvement within time specified on application shall result in withdrawal of approval unless an extension is requested and approved in writing. Improvements shall not cause additional drainage on adjacent properties (see city code). Keep approval with your title for future owners.
